Sir,

Dno 3893

In continuation of my letter No.C.989-8, dated 15th November 1927, submitting for sanction, a proposition statement for the extra establishment required in connection with the Maternity to be opened at Davangere, Chitaldrug District, I have the honour to enclose an indent (in triplicate) A, of instruments, appliances and medicines, at an estimated cost of Rs.3,236-14-0 to be supplied from the Medical Stores, at the cost of Government, and B.of Bedding and clothing, furniture, utensils and other articles at a cost of Rs,6,648-7-7, to be met by the District and Municipal Boards, for favour of very early sanction.

As regards recurring charges, in addition to the pay of the extra establishment for which a proposition statement has been already submitted, provision has to be made for dieting, bedding and clothing, and other contingent charges on the basis of 24 beds. In Government Order No. 26-27/Med. 23-24, dated 6th October 1925, the marginally noted scale of monthly charges was sanctioned for the Maternity at Saklespur consisting of six beds.

Diets.	Rs.50/-
Bedding & Clothing	Rs.10/-
Country Medicines	8/-
Contingencies	Rs.5/-

As the Maternity at Davangere is to accommodate 24 beds, four times the rates sanctioned for Sakelespu will have to be fixed in the present instance, except the cost of country medicines which will need no enhancement. Thus the esti-
